Sara King

Sara,
Latin & EA have been fun. I can't believe we are really graduating. You will have to come to Austin & visit Pam & me. Let's exchange addresses so that we can keep in touch.

Love,
Cynthia

Mrs. Mary Middleton

1981 Talisman Dedicatee

The 1981 Talisman Dedicatee is an unforgettable asset to Cooper High School. You might find this lady just about anywhere. If she is not at a Cooper sports event exhibiting her everlasting spirit, then she might be at Woodlawn Church of Christ taking part in Bible Call.

She grew up as an only child in Graham where she graduated from high school. She furthered her education at ACU where she received her Bachelor's degree and later earned her M. Ed. degree at HSU.

She has taught 23 years and is a mother of two daughters and wife to Mr. J. T. Middleton. At one time she taught P.E. at North Junior High and is now teaching Health here at Cooper. It was this special lady who began Cougar's Pride and just this year started a "Skills for Living" course based on Zig Zigler's "I Can" course. She has also started a tradition of her own by giving suckers to students at Cooper who win UIL events in sports or academics. Yet she gives EVERYONE at Cooper all the love, devotion and spirit she has. For that reason we would like to dedicate this book to

JUST BEGINNING . . .

We've come a long way Seniors;
All the way from '69 to '81.
Some may think it's all over,
But our lives have just begun.
We have had the help of the very best,
Now it's left to us to do the rest.

Let's not take all the credit.
Give credit where credit is due:
Teachers, faculty, mothers and fathers, too,
For they all share in this glory
We think belongs only to us,
But let's give thanks to each of them
For their love and trust.

As we take our places in the world outside,
Let us look back on Cooper with honor and pride
For it was a lot of work,
And a lot of fun
That led us to be the Class of '81.

WHY ABILENE??

Dag Tollefsen was Coopers senior exchange student from Norway. He is a member from Youth for Understanding.

Dag Tollefsen said most students would ask him: "Why Abilene?" He would merely reply: "This is where the program placed me." Even though Abilene may be a bore, Dag likes the nice people here. He thought he would have to change to adjust to Texas's way of life, but he is generally the same.

The differences Dag was surprised mostly by were the people ate differently, much more driving here and dating was not as popular in Norway.

He noticed that the school systems were different. Cooper allowed more student involvement. While in Norway, one was at school for strictly learning purposes. Plus in Norway one was taught strictly academically by stricter teachers.

Dag choose to come to Texas with a lot of expectations, but it was much more than what he had expected. Dag has now had the opportunity to see most of Texas and was impressed.

As the year ended, Dag graduated with the 80-81 class and he will return to Norway in July telling all his friends about *exciting* Abilene!!!

CONRAD, CHARLES

On the right, Senior class President, Scott Styles, holds up his bottled spirit. This year the contributors to the senior jar included the parents of seniors, unsuspecting sophomores, shoppers at the Mall of Abilene, and, of course, the seniors themselves. Senior Student Council members also went from room to room collecting the precious pieces of copper and silver. But inspite of the seniors united efforts, the class president received the traditional pie-in-the-face.

Accompanying the attack by the alligators, the Izod alligators that is, came many other fads and events which made the 1980-1981 school year a memorable one. When asked what they remembered of the year, the seniors had a mile long list. Here is just a sample of what they said: Top-siders, french braids, dieting, praying for an A in Mrs. Ivey's Physics class, New Wave, looking for a college, the "Brothers", punk, becoming "legal", praying for a B in Mrs. Ivey's class, working and working and working, penny-loafers, SAT and ACT tests, death of John Lennon, discovering that Christine shot J. R., praying for a passing grade in Mrs. Ivey's class, first vote, ANOTHER ONE BITES THE DUST, and last but of course not least, GRADUATION!!!!!!

1981 — A T

"The Decade of Dominance is under way. President Scott Styles led last years' "Superclass" of Juniors into this years Supreme Class of Seniors.

Seniors proved their supremacy by continuing the traditions started last year. Drum major, Talisman Executive staff, head twirler, and Coop were all 1980 Juniors. This year the Class of Dominance continued their reign by keeping many of those positions. Their leadership helped to spark the smoldering pep rallies held in the auditorium, and their enthusiasm ignited class competition.

Seniors continued many other traditions, such as Six Flags trip, Senior Bar-B-Q, Prom, Senior Musical, and participation in homecoming activities. And when the day they were all waiting for—GRADUATION—finally came, they wore red and blue caps and gowns. Although only the girls carried silk roses, they were all carrying with them the memories of their years at Cooper.

The Senior class now leaves Cooper High School. Along with our class gift, we would like to leave behind the memory of the class that began the Decade of Dominance.

LET'S SEE WHO'S AT GATTIS'

Everybody at one time said those words. Mr. Gattis was the true blue hangout for almost all Cougars. When there was nothing to do, one could always find action at Mr. Gattis. Crowds grew rapidly until the nearest police officer decided to stroll by.

Mr. Gattis will always be remembered as the Sophomore, Junior year hangout. Then, age caused the Seniors to mingle elsewhere.

"Out of my way, I'm a senior!" "I'm a senior what's your excuse?" "I can't wait to get out of this school!" "Where are you going to school next year? With my luck I'll be stuck here again." The long awaited senior year is over. It's a time for friends to go their separate ways and meet new friends. Regardless of how much the seniors confidently anticipated graduation, they were also overshadowed by many fears. Their typical brags withered to: "It's a big world out there." "Promise me that you'll write." and "Remember when . . . " As seniors leave Cooper High School, many have mixed feelings. There's a feeling of relief and accomplishment, and that of dread. Well, Cooper, thanks for the memories.

WHERE DO WE GO FROM HERE?

"Sometimes I believe it would be better to be a kid again," thought Tanya Sandefur.

Thoughts of much more excitement coming next year runs through Doug Bells mind.

As the Senior year reached the end students began to feel the importance of making plans for their future. The main question that went through every Senior's mind was: "Where do we go from here?"

The Senior year was full of excitement and many remembered moments. Seniors were not always expected to be COMPLETELY responsible; but now having completed twelve years of general studies, RESPONSIBILITY is the major word. Each one has the responsibility to fullfill his goals and be someone in life.

GOOD LUCK SENIOR GRADUATES OF '81!

Jimmy Cossabone was deep in thought about how much harder college going to be than his high school courses.

Troy Cass tries to keep his mind off of next year for now.

"As we take our places in the world outside, let us look back on Cooper with honor and pride . . ."

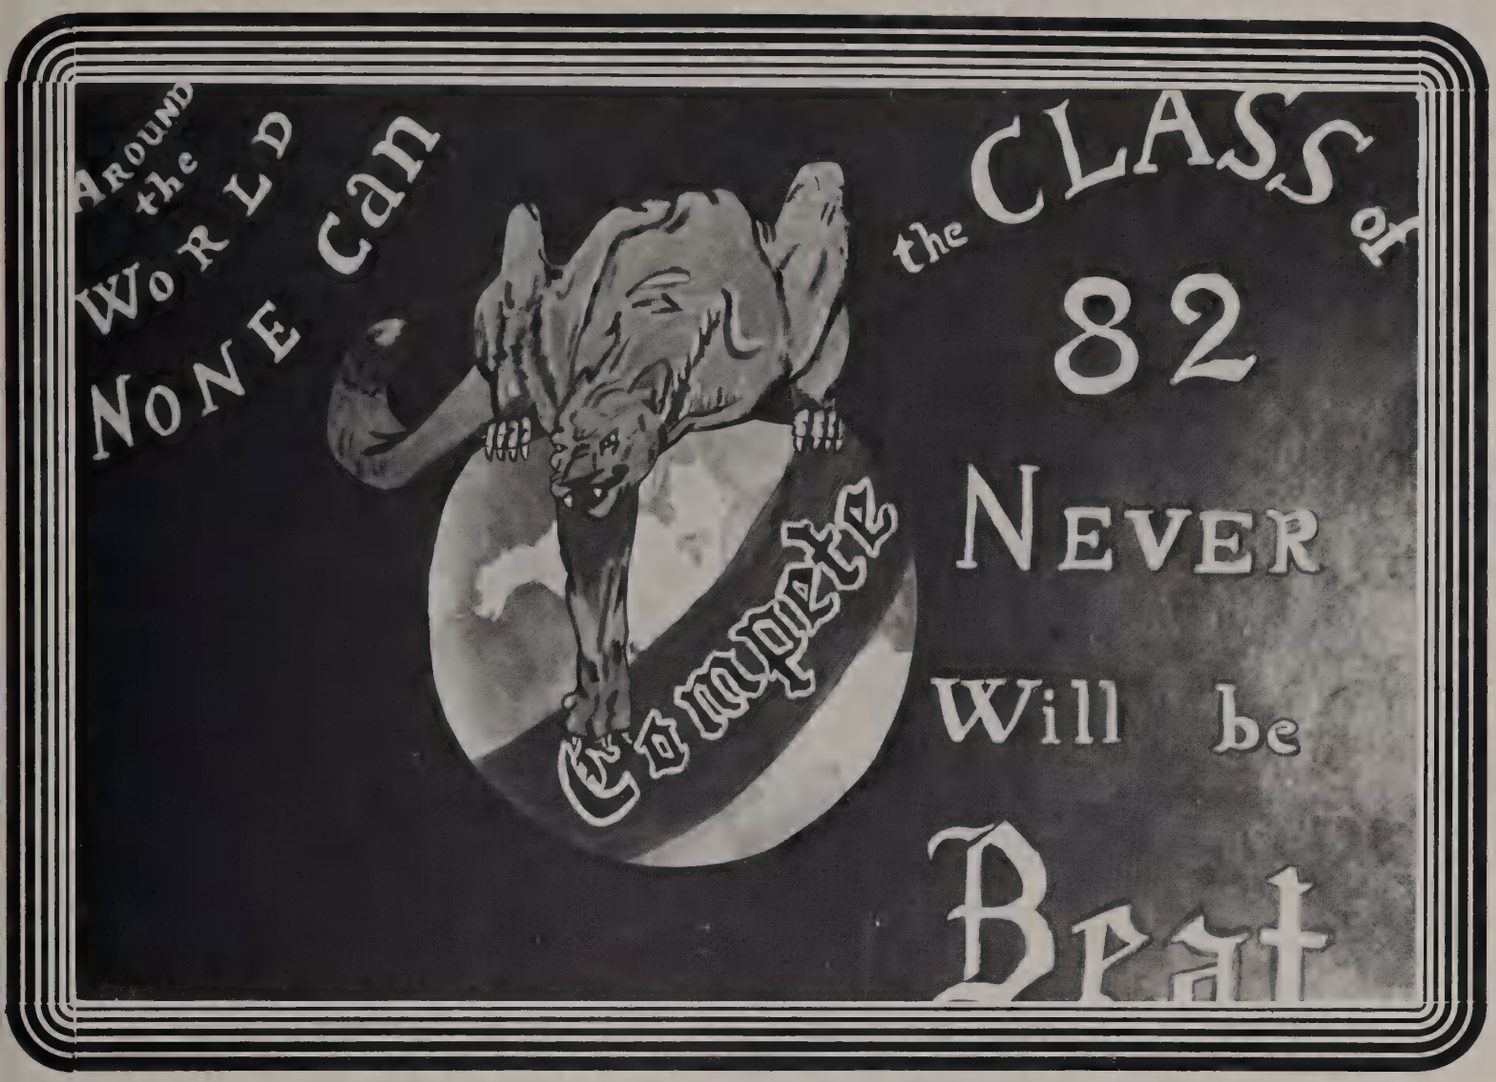
JUNIORS CUT UP!



CLASS OF '82

The juniors of 1980-1981 saw this year as an opportunity to regroup from their trying, but successful, year as sophomores. They also saw this time to prepare for their senior year, the climax of high school.

Despite the reputation most junior classes have of being only an "in-between class," this year's group was not idle. Instead they were involved in almost every activity, academic and extracurricular, at Cooper High School. One such activity was the annual Homecoming Penny Jar Contest, which the class of 1982 has won two years in a row.

Leading the junior class to its many outstanding achievements were: Cynthia Hamil—President, Kimberly Bray—Vice President, Lisa Scott—Recording Secretary, Lauren Keathley—Corresponding Secretary, Kim Daniels—Treasurer, and Talley Lawlis—Student Council Representative.

HOMECOMING "ONDINE"

C.

D.

A. The fishermen (Kenneth Estes and Jim Howard) listen as the judges (Darrel Knight, Chris Utter, and Marten Karlsson) determine the fate of Ondine.
B. Bertha (Janet Decker) and Ondine (Kelly Knox) accept the King's (Robert Edmondson) wise advice on love.
C. Lord (Mike Upton) and Bertram (John Mixon) listen attentively as the Lord Chamberlain (James Ryan) explains his plans for the King.
D. Ondine (Kelly Knox) tells Ritter Hans (Stephen Cook) of the natures of love.
E. The Illusionist (Jim Howard) predicts Ondine's future.

After four weeks of practicing the 1980 Homecoming play, the cast and crew of "Ondine" performed their III Act play before an appreciative audience. They opened the production on Thursday, October 16; the following Saturday they closed their two night stand.

"Ondine" is the magical story of a sea nymph and her love for a mortal knight, Ritter Hans. This love causes many disturbances in both mortal and immortal worlds. In the final act there is a trial in which Ondine's love is proved to be a true love. The story of Ondine is an amusing and touching fairy-tale which appeals to all ages. Besides being humorous, it also had a thought provoking content.

The production staff, without whom the play would not have been a success, included: Director Designer, Mr. Bill Overton; Student Director, Justin Wallas; and Lighting Chairman, Gwen Farris.

Homecoming Queen

A

A. The newly crowned 1980 Homecoming Queen, Sandra Evans, stands with her escort, Scott Styles.
B. Sandra Evans' dream comes true as the crown is placed upon her head.
C. Caryn Coody graciously congratulates Sandra on her victory.

On the night of October 17, 1980, the Homecoming Queen nominees proceeded onto the football field. The excitement mounted as the burning lights revealed Sandra Evans as the 1980-1981 Homecoming Queen. She graciously received the traditional crown and bouquet of red roses. The expression on Sandra's face was one of gratitude and pleasure. The other girls congratulated her on her victory. The other nominees were Nelda Collins escorted by Greg Rinehart, Student Council treasurer and Caryn Coody escorted by Chris Taylor, Student Council president. Sandra Evans was escorted by Scott Styles, senior class president.

The Texas 794th AFJROTC Squadron is enjoying its second great year at Cooper High School, and the following pages are offered as gratitude to those cadets who worked so hard to help in to help in its success.

In addition to the regular classroom studies in aviation and rocketry the students broadened their minds with field trips to the Air Force Technical Training Center, Sheppard AFB, Wichita Falls, an aircraft factory in Kerrville, five hour flight on a Jet Tanker Aircraft and a visit to the Army Tank school at Fort Hood, Texas.

Social activities include a formal dance, formal dinner, Christmas party dance, picnics, and unit field day. Extra curricular activities include the cadet Blue Rangers Drill Team, Cooper High School Color Guard and Flag Corps. The Drill Team competed in drill meets at Kelly and Lackland AFBs San Antonio. The Cooper Color Guard and Flag Corps presents the colors and raise the flag at all Cooper home football games and special events at school and on other community occasions. The Cooper Color Guard and honor flight participated in the West Texas Fair parade in downtown Abilene and won first place as the best drill unit.

Nowhere in the entire school system is there a course that offers students such a broad look at the aerospace industry, both civil and military, and gives them the opportunity to actually see these organizations in action. The ROTC's goal is to broaden the student's knowledge about America's second largest employer, the Aerospace industry. In addition, it teaches self-discipline, courtesy, self respect for our nation and the U.S. military.

Paul Cantrell, Kenneth Welch, Harvey Quriz, Marcel Mandeville, Chris Anderson, and Mr. May work diligently on their Building of a classroom for Alta Vista Elementary School.

The Building Trades Club is a member of VICA. They had two contests each year, in which we competed with other district 1-A schools. The district meet was at Big Springs this year. Five club members from the Cooper club attended. The contest consisted of nailing, cutting lumber, measuring, tool index, and wall layout.

This year the building trades students built a classroom for the Abilene School District. It was a 44x24 building that was divided into two classrooms.

The 1980-81 Building Trades officers were Roger, President; John Hardee, Vice-President; Robert Ryan, Secretary; Paul Cantrell, Treasurer; and Harvey Quiroz, Reporter. The sponsor was Mr. Robert May.

POLITICAL SCIENCE

Designed to allow students a more in-depth knowledge of government and our political system, the Political Science Seminar began its second year of activity. The Seminar was established and guided by Mr. Jim Short and Mr. Mike Dudley.

Members of the Political Science Seminar are: Seated; Margot Woodward, Denise Ho, Marie Ruelas, Mark Wentz, Standing; Don Lane; Dave Williams, Tad Pruitt, Jon Randel, Mary Duck.

Officers are: Andrew Tucker, Historian; Margot Woodward, President; Darrel Knight, Vice-President; Denise Ho, Secretary-Treasurer.

Other members of the Political Science Seminar are: Seated; Bill Williams, Kirk Cleveland, Bobby Sanders, Standing; Dag Tollefson, Jeff Plowman, Cynthia Hammil, Adam Paradoski, Andrew Tucker, Eric Miles.

Delegates to the national conventions, city officials, and state legislators were some of the guest speakers for the Seminar. These guests gave Seminar members the opportunity to ask questions and learn the speakers role in government.

Activities for the Political Science Seminar included a visit to a city council meeting, and a trip to Austin to see the Texas Legislature in session.

Guests and activities such as these made the 1980-81 school year both informative and enjoyable for the Political Science Seminar members.

Distributive Education and Marketing is designed to promote students for successful and gainful employment upon graduation from high school. It is an occupational training program for eligible Juniors and Seniors who desire employment in the field of marketing and distribution. The classroom instruction is of a practical nature, utilizing instructional materials that correlate with the various positions for which the students are training. The school supplies the classroom facilities and the teacher coordinator while the employers furnish practical on the job learning experience through part time employment.

The students enrolled in Distributive Education and Marketing belong to the Distributive Education clubs of America (DECA) and have an opportunity to participate in area and state meetings, along with conferences and contests held each year.

Sponsor for Distributive Education and Marketing is Mr. Jack Shewmake. Officers for the 1980-81 school year were: president, Ubaldo Herrera; Vice president, Ange Simmons; secretary, Teresa Mitchell; treasurer, Sandra Gowens; reporter, Melinda Wilkerson; historian, Janic Mclean; and parliamentarian, Lori McClellan.

The 234 member Cooper Band has many activities scheduled for the 80-81 school year. In the fall, the band made more improvements in its "corps-style" approach to marching by participation in district football games, winning outstanding band at the West Texas Fair Parade, initiating a Marching Band Showcase highlighting all area bands, and climaxing its fall season by appearing at the Houston Oiler-Minnesoto Viking football game on December 21.

The band which is under the direction of Mr. Jack Nall and assistant director Mr. Ron Davis, also has other very successful performing groups such as the two concert bands and stage band. All three of these groups will compete in contests, and perform frequently throughout the year.

French Club

The French Club was organized to allow the students from all levels of French classes to extend their knowledge of the language and traditions of French countrymen.

Throughout the years, the club has conducted many diverse activities and this year was no exception.

In November, the members traveled to Dallas to attend a production of *Cyrano de Bergerac* by Edmond Rostand presented by the Dallas Theater Center. After the final curtain fell, the students departed for an authentic French dinner at a very exclusive restaurant, Les Saisons.

For the Christmas holidays a party was held and fashioned in accordance with French customs and different foods from the cuisine.

Members sold imported candy for a fund-raising project, in order to aid in paying for their trip to the Texas French Symposium, which was held in Houston during April. Symposium was created to encourage students to study the French language and civilization by allowing them the chance to compete against other high school students from across the state of Texas in areas of grammar, vocabulary, listening comprehension, civilization, poetry recitation, prose reading, art, and music. In order to prepare for Symposium, the Cooper French students met with the Abilene High French students for an intense study session.

During Spring break, Mrs. Claire Powers sponsored a trip to Paris for all French students that were interested in visiting the old world.

At the end of the school year some of the students visited Montreal in order to witness the strong French influence in Canada.

The French Club was under new sponsorship for the 1980-81 school year. Mrs. Melissa Pilcher transferred from the English department to take over the French classes.

Serving as officers were Walter Smith, President; Nancy Smith, Vice-President; Gordon Bingaman, Treasurer; Marie Ruelas, Secretary; and Kelly Martin, Historian.

As part of their study of the culture and customs of the Spanish speaking world, the members of the Spanish Club strove to promote understanding in our community by helping those less fortunate. One activity included a field trip to Neiman-Marcus in Dallas to see the foreign decorations that are displayed every year. Another activity included was giving a Thanksgiving basket of food to a needy family. The members also took part in a Christmas sing-song at a retirement home and had a Spanish dinner at the home of Terry Jacques.

BRITANIA EST INSULA!

The Roman Senate, more commonly known as the Latin Club, is the Cooper chapter of the Texas State Junior Classical League. The club is composed of Latin students from all four levels of the foreign language. The club participates in various activities which promotes a better understanding of the Latin language and Roman culture.

The Latin club has always been a very active club at Cooper, and this year was no exception. The slave auction, held every fall, was a successful fund-raising event. Proceeds from this money raising activity helped finance the TSJCL convention. Members of the club and other Latin students attend the annual TSJCL convention in Houston, on the Lamar Consolidated H. S. Campus, in the spring. Other activities included caroling at Hendricks Hospital and Nursing Home, a Christmas Party, and the traditional Roman Banquet.

The 1980-81 Latin club sponsor was Miss Rose Williams. Officers for the 1980-81 year were the following: Wade Surovik and Lisa Utasi as co-consuls; Mike Upton as Praetor; Sara King as Scriba; Amy Gilliland as Quaestor; Lisa Paradoski and Adam Paradoski as Nuntiores.

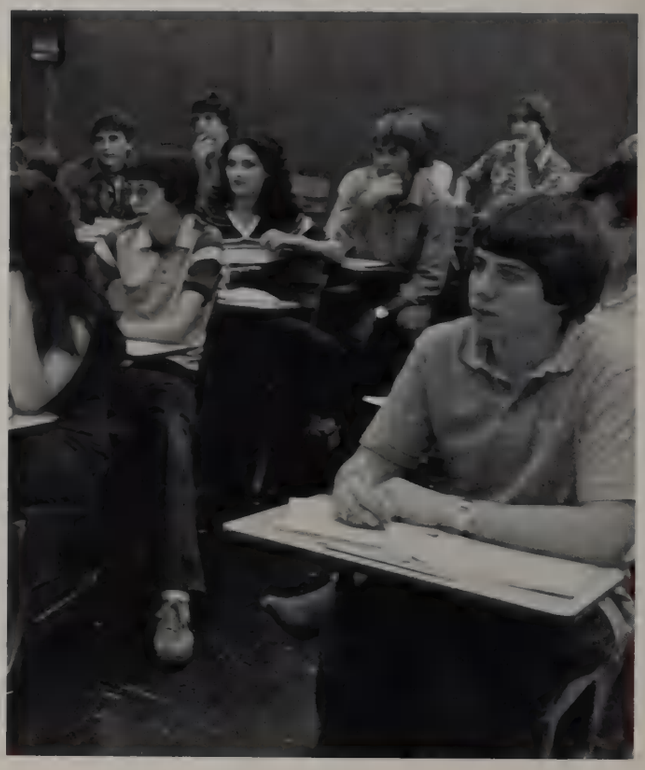
Math Science Seminar



The Math/Science Seminar

The Math/Science Seminar was introduced at Cooper in the 1977-78 school year by Mr. James O. Alderman, a retired nuclear physicist. The seminar offers students oriented in the fields of math and science an opportunity to acquire more advanced knowledge in these areas.

Students learn more complex mathematical concepts and their application to areas such as atomic and nuclear physics, nuclear engineering, optics mechanics, thermodynamics, and nuclear radiation phenomenology.

This year Mr. Alderman, the director of the seminar, developed the subject of Analytical Geometry for the discussions. The Seminar also has included several special topics such as Einstein's Theory of Relativity.

STUDENT COUNCIL

The new decade began with Cooper's 1980-81 student council officers. They were Chris Taylor, President; Missy Urquhart, Vice-President; Lawrie Sumner, Recording Secretary; Kathy Haney, Corresponding Secretary; and Greg Rhinehart, Treasurer; with Mrs. Joan Wood, sponsor.

Throughout the year, Cooper went through many changes in school policies, but the atmosphere was easy-going and with the enthusiasm of the Student Council's many activities, the spirit grew.

Such activities were the penny jars, which raised money for Homecoming, a country western dance, exchange day with Abilene High, College night, a school directory, Thanksgiving and Christmas baskets, and the annual Merry Andrew's assembly.

The Executive Board members: Vicki Vick, Mark Elledge, Julia Scarborough, Kenneth Estes, and Cole Erwin. The student body was represented by homeroom representatives and class officers.

The student council's purpose was meant to benefit you the student body and faculty. We hope that we have made 1980-81 more special for everyone. Our love and thanks to Mrs. Joan Wood, sponsor, for all her wonderful help. We would also like to thank Mr. Newton and Mr. Schmittou for their help.

National Honor Society

The National Honor Society encourages students to display scholarship, service, leadership, and character at school and in the community. Members of the Cooper Chapter are selected for membership by the faculty on the basis of grades and citizenship. After induction, a student must retain high academic standing and character.

The 1980-81 school year was a busy one for the Cooper Chapter of National Honor Society. In addition to the annual fall and spring inductions, NHS members helped with fall registration, served as hosts for College Night, and sponsored the Valentines Post Office and the Bidboard.

Honor Society Officers for 1980-81 were the following: Wade Surovik—President; Lawrie Sumner—Vice President; Julia Scarborough—Recording Secretary; Dave Williams—Corresponding Secretary; and Lisa Utasi—Treasurer.

The Maurice Chapter of FHA-HERO served the school by sponsoring many activities for students as well as the faculty.

The club's main goals are to develop leadership through their activities and to develop an attitude of acceptance towards all kinds of people and honorable work stations.

The club's events included parties for the department at Halloween, Christmas, Valentine's and other various holidays. They attended area and state meetings, held an advisory council luncheon. The club served lunch to faculty members during one trimester, and throughout the year they helped needy students and the elderly. At the end of the year they planned a club picnic.

The 1980-1981 officers were the following: Lisa Dokey, President—Stace Williams, Vice-President—Dana Alexander, Vice-President—Nancy Gee, Secretary—Yvonne Montinez, Treasurer—Jackie Lambert, Parliamentarian—and Michelle Gillis, Historian. The sponsor was Mrs. Louise Smith.

OFFICIATION TEAMS OF 1980-81

The officiating program is a very integral part of the overall atheltic program offered by the Abilene Independent School District. Under the guidance of Coach Childers, students have the opportunity to learn the rules and mechanics of five major sports—football, basketball, soccer, volleyball, and track. Cooper officials accept the responsibility and challenge of officiating these sports in the elementary schools. More than 300 games each year are administered by these young people, and their job is to be commended.

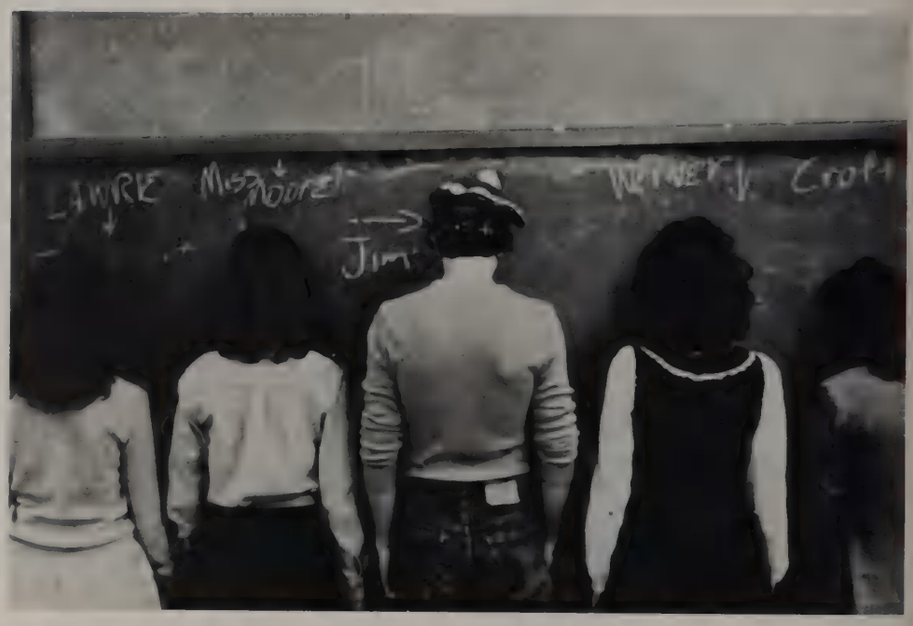
SPEECH TEAM *

Lori Brooks practices her dramatic.



Officers for this year were: Lawrie Sumner, Karen Moore, Jim Howard, Edwina Hournbuckle, and Sharon Croft.

The Cooper Speech Team consists of a group of people who enjoy participating in various kinds of competitive speaking. Throughout the school year, members have performed in different types of competition such as: debate, extemporaneous speaking, original oratory, dramatic and humorous interpretation, prose, poetry, and duet acting.

Officers for the 1980-1981 school year were: President: Jim Howard; Vice President: Karen Moore; Secretary: Edwina Hournbuckle; Senior Business Manager: Lawrie Sumner; Junior Business Manager: Sharon Croft. The sponsors are Nancy Hutchinson and Ralph Thornhill.

The purpose of the speech team is to give competition in formal speaking and to build confidence. Members not only compete in tournaments, but also perform for civic and service organizations. Being a part of the speech team does not mean standing in front of a group and giving a speech, it takes a lot of hard work, time, and practice.

The Cooper CREST is a newspaper magazine published by the journalism department of Cooper High School. Its responsibility and purpose is to inform and entertain its readership—that being the student body, faculty, and administration, as well as to reflect student opinion. Much work goes into the paper by our staff to bring the reader nearly every aspect of journalistic writing, such as editorials, feature writing, sports, and news.

The CREST is a written record of Cooper's history. Many articles may not seem current, but the staff feels that it is important to the reader and participants of the activities that the articles be printed. The paper is read by citizens of the community who would not have known about a certain activity if the CREST has not printed such information. The paper is an excellent reference material after a class has graduated and reports accomplishments of that class.

Students should also know that they have something quite unusual—a free school newspaper! At many schools yearly subscriptions run as much as $3.50. Cooper students do not have to pay for a subscription largely because of some very special people: the administration and the CREST's advertisers.

Some businesses such as food establishments, banks, florists, and retail stores offer services that students would do well to be aware of. Others buy ads solely to support Cooper. The advertisers provide a real service by helping pay the newspaper printing costs.

Another important link to the CREST is the printer. He brings the professional look that the paper needs. Many high school papers are forced to use xeroxing and mimeographing. He helps give the reader quality reading with quality writing.

The CREST desires to establish a publication of high quality which will serve as a source of enjoyment to its readers.

The sponsor for the 1980-81 CREST were Mrs. Nancy Walters and Mrs. Sonja Brastauskas.

FUTURE FARMERS

Future Farmers of America is a nationally affiliated organization consisting of students who are interested in farming, ranching, and agribusiness careers. The members are required to take a vocational agriculture course, and their goals are to achieve a greater knowledge of agricultural advancement, development of character, and becoming outstanding citizens of the future. They learned about showing and judging good livestock by participating in several stock shows. Vocational Agriculture I and II are offered as a course of study. Vocational Agriculture Cooperative is also taught. Cooper students are placed at an agriculture related job for half a day, and attend school for the other portion of the day. Members enjoy a picnic each year prepared by the teachers. The money for the picnic is earned from the annual peanut sales.

The members of the Greenhands chapter of the F.F.A. learned more about ranching, farming, and agri-business this year. Every member of the nation-wide organization is enrolled in a first year vocational agricultural course. Leadership, cooperation and citizenship were stressed, and the use of improved agricultural practices is emphasized. Every Greenhand student is required to have a project. Greenhand members exhibit projects in local chapter shows and several area livestock shows. They also learn the correct methods for judging farm animals. The Cooper chapter participated in farm skills and farm rodeos. The chapter is funded by the sale of peanuts. These funds are used to maintain stock showing and supplies.

Future Homemakers of America is a national organization for students who have been enrolled in the home economics education program on the secondary level. The major goal of the organization is to help youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement. The challenge motto "Toward New Horizons" reminds that their contributions to home and community life today will influence the kind of homes they will have tomorrow and that the family life of members will influence the community and the world.

Officers for this year were LeeAnn Reese, President; Terry Lambert, Vice-President of Publicity; Lori Slaton, Vice-President of Programs; Terri Ashwander, Vice-President of Projects; Mark DeHoyos, Vice-President of Socials Recreation; Karen Jean, Secretary-Treasurer, Debbie DeLancy, Historian.

Home economics cooperative education is designed to provide related classroom instruction and on-the-job training for high school students preparing to enter employment in the occupations requiring knowledge and skills in one or more home economics subject areas including child development, clothing and textiles, and consumer education, family living, food and nutrition, home management and housing.

Students enrolled in the HECE program are members of Future Homemakers of America HERO (Home Economics Related Occupations) leadership organization. The purpose of the organization is to provide opportunities for leadership development through individual and group activities based on members concerns and interests.

A highlight of the year is the employer-employee banquet where HECE students honor the employers who allow their business establishments to be training stations for HECE students. Speaker at the banquet this year was Congressman Charles Stenholm. Club dues and a money making campaign provide money for the projects through the year and the banquet.

COUGAR FOOTBALL...

The highlight of the school year is the football season. After last years district win, Cooper was expected to do as well this year. But never the less we didn't, but we did have a good season. Our first game was against Brownwood. We were six points behind with 6:34 left in the game, when tailback Scott Reedy plowed over behind the left side from three yards with :58 seconds left in the game. Then Mike Stills who had missed the first extra point, made good his second attempts to make the one point difference. The Cougars had driven seventy-one yards for the winning touchdown, with the final score Cougars 13, Lions 12.

The second game of the non district season was against Wichita Falls. After missing an earlier almost sure touchdown pass, Mike Flores made a diving five yard catch with only forty-nine seconds left in the game. Cooper then fought off a last minute attack but Stephen Brown's interception at the Cougars two yard line sealed the Coogs victory. Cooper held the Coyotes at its thirty-five yard line. This was the second time this year Cooper won in the final seconds, with a final score of 21-14.

In Cooper's game with Eastern Hills the Coogs defense was really on the ball. Eastern Hills accumulated 330 yards total offense against Coopers excellent defense. Junior fullback Oscar Riggins' second touchdown of the game gave Cooper the lead. He plunged over from the one to climax a short thirty-five yard, five play scoring drive. The drive was set up by Joe Loya's fumble recovery. He fell on a loose ball after the Eastern Hill's quarterback was sacked under a heavy rush from our defensive line. All in all it was a very rough game with Cooper having 179 yards rushing and 88 yards passing with only one interception. The final score was Coogs 21, Eastern Hills 14.

In Coopers first district game against San Angelo, the first half was scoreless, but the Cougars exploded with 20 points in the third quarter. The Cooper defense should be given a lot of credit for never letting the Bobcats in our twenty yard line. Assistant coach Kent Finley said "The kids played well. They finally played with enthusiasm. Regent Washington had a tremendous game and so did Mike Stills. We tackled well for the first time. We had two weeks to work on it and it worked.

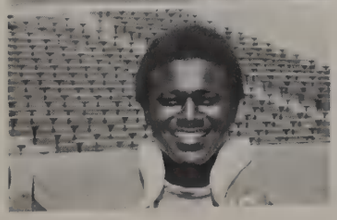
On October 10 when Cooper beat Odessa High 11-7 it was the best game all year. Offensive line center Jim Cook, guards Brad Suggs and Paul Williams and tackles Cole Erwin and Chris Reed bashed huge holes in the Odessa defensive line allowing Lanny Dycus, Scott Reedy and Oscar Riggins to tear off yardage in five, six, and seven yard chunks. Odessa hardly had the ball at all but when they did they were rendered helpless by the excellent work of the Cooper defense.

On October 17 in front of a homecoming crowd Cooper tied with Midland Lee. The tie dropped Cooper one half game behind Permian in the district 5-AAAAA standings. The deciding play was early in the fourth quarter. It was fourth and goal on the one yard line. Cooper called a time out. Coach Overton told Lanny Dycus to go for it. Oscar Riggins is given the ball and doesn't make it. From then on the two teams fought to a 21-21 tie.

October 24 was not a good night for the Cougars in Odessa. We got stomped by the undefeated Permian Panthers. Cooper only made 85 yards total offense, although the second half was much better than the first when Cooper had only 16 yards. This game put Cooper a game and a half behind the Panthers in district play. Meanwhile at home, Odessa High ruined Abilene High's homecoming by beating them 20-12. Which gave some of us Coogs a little grin.

In Cooper's game against Big Spring the trick was running. The Coogs let Oscar Riggins loose, they let Scott Reedy loose and before the game was over they let Jimmy Cosabone loose. The 42-13 win was not a big surprise considering Big Spring hadn't won a game all year.

...HAS AN 8-1-1 SEASON



The following weekend in between yellow flags that dropped like autumn leaves, junior Oscar Riggins and senior Lanny Dycus ran for two touchdowns as Cooper steam rolled over Midland High for a 35-17 win. Even the winners discovered it was hard to be gracious about the officiating. Cooper was penalized for unsportsmanlike conduct in the waning minutes of the game. "The guy (official) came over and said he was tired of hearing us fussing and one of our guys said we were tired of him too!" said Coach Ray Overton, who drew a 15 yard penalty himself for walking on the field to protest a play. Cooper was penalized for 128 yards while Midland was penalized for 75. But other than that it was a good game.

Cooper finished up the season with a 5-1-1 record tieing Odessa High. Cooper had four all district players. Jim Cook, Mike Stills, Oscar Riggins and Mike Flores. Cooper also had seven honorable mentions. Ray Berry, Shane Awalt, Scott Reedy, Paul Williams, Brad Morrison, Lanny Dycus and Stanley Darden.

COOGS -vs- EAGLES

Art Lawler

As usual it was an interesting script Friday night at Shotwell Stadium. But then it always is when Abilene High plays Cooper. It's just the conclusion that is always the same. The Cougars always wind up beating the Eagles in their annual cross-town football confrontation.

When the Eagles jumped to an early 3-0 lead after a Cooper fumble led to an Eagle field goal of 22 yards, the Cougar fans tilted their red and blue caps, smiled amusingly, and folded their gloves in anticipation.

Sure enough, the Cougars came back, going 63 yards in nine plays, looking like wooden soldiers marching over frustrated Eagle defenders. Oscar Riggins put the ball across the goal line by kicking off several would be tacklers on a 10 yard run to the end zone.

Cooper 7, Abilene High 3.

Cougar fans settled back, opened their Thermos bottles of hot coffee and lit their pipes. Order had been resumed.

Normally the Eagles never lead in one of these contests and at best spend the entire evening trying to cut the final deficit to a respectable margin.

But this bunch did seem especially irate, and Cooper fans squirmed ever so slightly when Eagle quarterback Loyal Profitt took his team on an eight play, 69 yard scoring drive to put the Northsiders back in front for the second time in the game. It should be pointed out though that the Southside types were mildly irritated by the embarrassment of having to play second fiddle to the Eagles all the way through the halftime festivities.

When the Cougars failed to score again in the third period, you would have thought panic had set in.

For the Eagles to win, they would have to stick another touchdown or two on the board in the third quarter. Cooper fans were confident their quarterback Lanny Dycus would wreck the Eagles secondary in the final period when the Cougars had the wind advantage.

But they didn't come up with any points in the third quarter—mainly because the Cougars kept the ball for all but nine plays. Even at that they managed to make Cooper fans drop their tobacco pouches on a 71 yard touchdown run. Well, it wasn't really a touchdown run, but it sure looked like it from the pressbox. Way back down the field about a thousand yards was an official with his foot planted on the sideline where Proffitt was accused of stepping out of bounds.

"Oh gosh darn," Proffitt must have said. The ball was brought back to a mere 24 yard gain and three plays later the Eagles had to punt.

It took 12 plays and Cooper fans were admittedly, becoming annoyed if not slightly apprehensive until Dycus finally got the job done on a two-yard run over left guard with 4:26 left in the game.

"It's about time," said Cooper fans, who were just beginning to notice how cold it was outside.

Well, since they'd waited this long, Cooper fans figured they might as well stay for the kill. Sure enough, Dycus ran the option beautifully, pitching at the precise moment to Scott Reedy who was all alone for the four yard touchdown that would make the game seem more decisive in Coopers favor than it really was.

Even so, a game that belonged to the Eagles much of the night, was suddenly locked up for the Cougars, just like always. The Cougars were a better team. No doubt about it. So it really was just a matter of time till they proved it.

Their fans knew that.

Cougar Baseball

The 1981 Cooper Baseball team showed that they were top contenders. They started off the season with four returning lettermen: Shane Awalt, Cole Ervin, Scott Harris and Lanny Dycus. The two returning starters were all-district second-baseman Shane Awalt and Catcher Scott Harris. Midland Lee and Abilene High were the top contenders for the district 5-AAAAA title. The Cougars have set their goal to win district for the third consecutive year.

The 1980-1981 year of Cooper basketball brought much excitement for the Cougar fans. Cooper was picked second to the last on the rating scale. But, the Cougars proved that it was wrong. Even though the Coogs did not win all of their games, they came close to the ones that they lost.

There were several oustanding players on the team. With Roger Forkner's dribbling and footwork, he proved that the Cougars were better than expected. Also Stephen Brown, led the Cougars to victories. Stephen Brazil, Scott Yungblut, Barry McLeod, and Tim Nash helped put points on the scoreboard. The only main casualty was Chuck Cathey's front tooth being knocked out.

The Cougars started out with brand new players, because they did not have any of the last years players. Barry McLeod was the only one, but he just got to suit out. Cooper proved that you do not have to have experience.

In conclusion, the Cougars might not have gotten district, but they were very close. Since there is some juniors and sophomores on the varsity, next year will be even better.

VOLLEYBALL SECOND IN DISTRICT

Under the leadership of seniors Cheri Harrison, Laurie Brown, Sylvia Horton, and Janet McInnis, the volleyball team compiled a 25-9 overall record. Upset wins over Lubbock Dunbar and Amarillo Palo Duro proved to be a turning point of the season. In their second tournament of the season in Monahans they placed fourth. Leanne Hill was named to the all-tournament team. Finishing second in the Key City, the volleyballers, lost their only match to Monahans. Cheri Harrison and Laurie Brown were named all tournament players.

In district play the Cougars were 11-3. There most dramatic win of the season occured when they defeated the defending district champs, the San Angelo Bobcats, 15-7, 10-15, 15-3. For the 1980 year, Leanne Hill and Laurie Brown were named to the all-district teams. For the Cougars, Leanne Hill captured top serving and setting honors for the year. Laurie Brown was the outstanding spiker, and Cheri Harrison was the year's defensive player. Captains for the 1980 team are Laurie Brown and Leanne Hill.

The junior varsity compiled a 7-7 district record and a 13-13 overall mark. Captains for the J.V. team are Mona Bidwell and Tammy Johnston.

The Cougar Golf team has done very well this year. This is due to their many returning lettermen, which includes the following: Greg Rinehart, Doug McMillan, Ron English, Randy Vernon, Charlie Grant, Grant Maples, and Mike Standly.

This years golf team was under a new coach, Jerry Wood. Though this was Coach Wood's first year as golf coach, he did quite well. He received a lot of help from the team captains, Charlie Grant and Grant Maples.

The team works hard to get ready for their season, which lasts from January to May. They start working at the very first of the school year to get ready for this long season. They usually practice from the end of sixth period until five o'clock at one of the local golf courses. Cooper is proud of the Golf team and the hard work and effort they put into their representation of our school.

GIRLS BASKETBALL

Cooper Girls Basketball team had an outrageous team this year. Coach Pat Penick coached the girls to a win for her second year of coaching at Cooper. The adaption has paid off in several games this year as the full-court press enabled them to take an early lead and maintain it for a win. The girls have shown a lot of sportsmanship in their wins and their few losses.

Cooper beat Graford 48-47 in Stephenville tournament Graford won second in state two years ago. They had some of the state players on this years team. Cooper won second in Sweetwater and Stephenville tournaments. Beat Abilene High in first round of district play by ten points. They were beaten in overtime in second round by four points. Finished third in district behind San Angelo and Midland Lee.

Cooper was rated thirteenth in state AAAAA standings in December. Seventeenth in state in January. Coopers biggest loss of the year was to Mineral Wells 38-54.

Cooper was rated in the top ten in state in AAAAA other losses were under seven points.

INTRAMURALS

The Cooper intramurals program has really come alive in the past few years. Students from each homeroom have the opportunity to participate in a number of sports such as football, volleyball, basketball, tennis, track, ping pong, and bowling.

Intramurals give students who are not on a varsity or junior varsity team the chance to compete and become involved with athletics.

The teams are made up of combining homerooms or individual homerooms competing against each other. A large majority of these homerooms participate in each of the activities being played throughout the school year. Rivalries often occur, and many of the daily announcements are heated, and full of challenges.

Mr. Childers and Mr. Dudley back the group by organizing schedules and planning all the activities that are required for the intramurals program that takes place during the school year.

GIRLS SWIMMING TEAM

The girls swim team had done exceptionally well in 1980-'81. They had only five girls, while the rest of the teams in their district had ten or fourteen girls. Out of five girls swimming for Cooper this year, two of them were picked to go to the state meet. These two girls were Staci Welch and Susan Tooke. Their main event was diving. The other girls making up the Cooper High Girls Swimming Team are: Jamie Lewis, Jude Muller, and Jeri Baker. The Cooper students are proud of all these girls that make up the CHS girls swim team. We would like to congratulate these girls of their outstanding performances this year.

DRILL TEAM ...
THAT'S ENTERTAINMENT

The 1980-81 Cougarettes began their year with a new sponsor, Miss Lee, who added much experience and excitement to the year. She accompanied the girls to camp, held at Baylor University, where they learned many of the routines they used for their football and pep rally performances during the year. Jazz, prop, novelty, and character routines were included.

The girls helped the community and Cooper by working in the Jerry Lewis Telethon, and helping with the Booster Club Drive. They held a bake sale and sponsored a clinic where Sandy Hinton, director of the McClennan College drill team, taught the members and girls from other nearby drill teams, several routines.

The Cougarettes attended two competitions; the Marching Auxiliaries North Drill Team Competition in Ft. Worth in February and the Miss Texas Drill Team Pageant in Dallas in March.

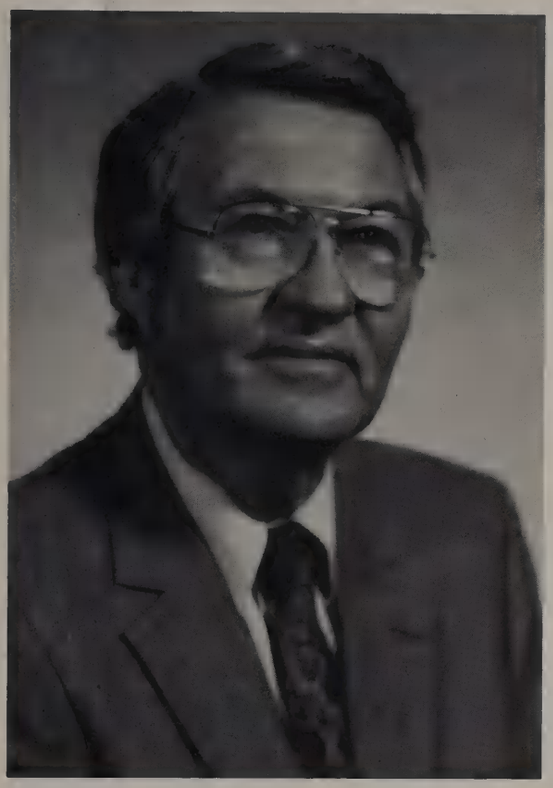
BOARD OF EDUCATION



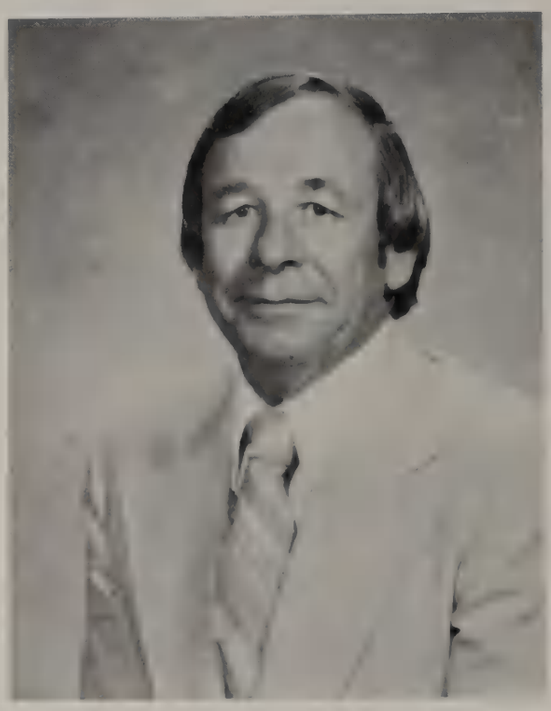
Mr. Allison Koonce

Mr. Allison Koonce serves as the Superintendent of the Abilene Independent School District. The Board of Education consists of Mrs. Iris Nash, Mr. Harold Hughes, Mrs. Jan Wolf, Mr. Darrel Knight, Mrs. Peggy Beckham, Mr. Ham Middlebrooks, and Mr. O. Henry Young, Jr.

They have done an excellent job in making the Abilene Independent School District run smoothly and efficiently. The role of the school board members is to determine the goals and objectives of the school district. They meet twice a month to work on school problems. They provide financial structure for the operation of the district and set policies which reflect the district's operational procedure. We are grateful to them for the fine work that they do.

Standing: (Left to Right) Mrs. Iris Nash, Mr. Harold Hughes, Mrs. Jan Wolf, and Mr. Darrel Knight. Sitting: Mrs. Peggy Beckham, Mr. Ham Middlebrooks, and Mr. O. Henry Young, Jr.

PRINCIPAL



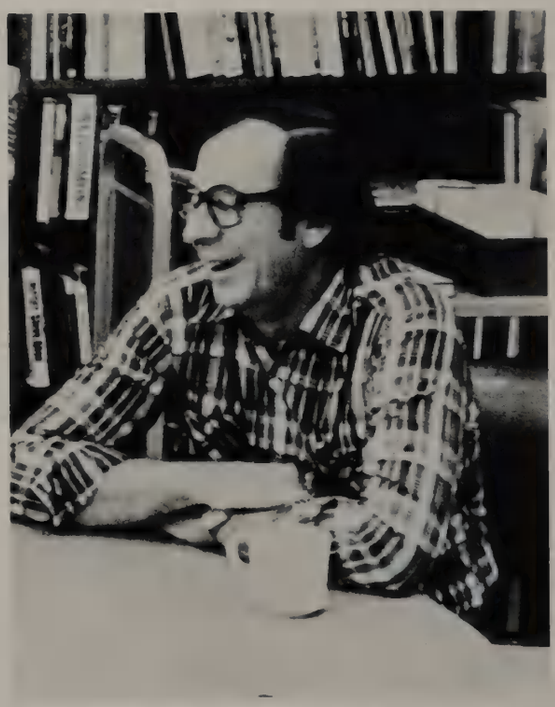
Roger C. Bauernfeind

The principal of Cooper High School is Mr. Roger Bauernfeind. Mr. Bauernfeind has been the principal at Cooper for six years. He has a deep concern for all students at Cooper and tries to see that every student's days at Cooper are happy and productive.

He received his Bachelor of Science degree from the University of Wisconsin and Master of Administration from McMurry College.

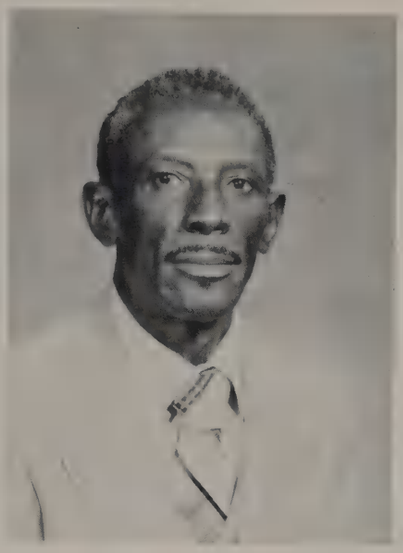
Mr. Bauernfeind is a fine man who has done a great deal in helping to establish the fine reputation that Cooper enjoys today. The Talisman staff wishes to thank Mr. Bauernfeind for the time and effort he has put into the operation of Cooper High School.

Mr. Bauernfeind shows school spirit by wearing overalls.



Relaxing during a weekend session, Mr. Bauernfeind jokes with his co-workers.

ASSOCIATE PRINCIPALS



Mr. Valree Brailsford

This year there has been a slight change in Cooper's administrative staff. Cooper now has four Associate Principals. They are Mr. Valree Brailsford, Mr. Garnie Hatch, Mrs. Melba Miller, and Mr. Reford Schmittou. There is a close working together of these four principals to provide supportive help and guidance for the students of Cooper High School.

Mr. Valree Brailsford has been at Cooper for nine years. Some of the jobs he is in charge of this year are the discipline, attendance, and curriculum of the Sophomore Class A-N, textbooks, and as one of the Associate Principals, assisting in supervising student activities. He received his B.S. at Prairie View A & M University and has a Master of Education.

Mr. Garnie Hatch has served at Cooper for the past seven years. Some of his responsibilities are the Sophomore Class O-Z, buses, and attendance reports. He received his B.S. at the University of Mississippi. Mr. Hatch also has a Master of Education in Administration.

Mrs. Melba Miller, who was formerly part of the Business Department at Cooper, is in charge of Public Address announcements, the official enrollment of students, and the Junior Class. She received her B.B.A. at McMurry College and her Master of Education from Abilene Christian University.

This is Mr. Reford Schmittou's ninth year at Cooper. He is now in charge of the Senior Class, coordinating and directing Senior Class activities, parking lot registration, and student locker assignments. Mr. Schmittou received his B.S. at Abilene Christian University. His Master of Education was received at Lady of the Lake College.

FOREIGN LANGUAGE

The foreign language department is a very important area at Cooper. Cooper offers four different languages. The main goals of the departments are to promote appreciation for other cultures, to be able to converse while traveling to other countries, to read literature written in the original language instead of translation, and also to learn one's own language by learning a new one.

The German classes taught by Mrs. Lela Dick, participated in field trips and other activities. Their projects for this year included a Christmas party with German songs, food, decorations, and costumes, the Foreign Language Festival on Friday, March 27, 1981 at Angelo State University. This was the second annual festival held by the department of modern languages.

Miss Rose Williams and her Latin classes were also very active this year. They had a Slave Auction in September, a Christmas Teddy Bear Making Party and a Christmas Caroling party. Other activities were the Roman Banquet which was held in January and used Roman menu, dress, and entertainment. The Latin classes also competed against other schools in Junior Classical League State Convention held in Austin.

The Spanish classes are taught by Miss Sonja Green and Miss Nancy Lewis. Their goal was to serve mankind in whatever way possible so that we may all have a better life and a better place to live. This year's projects included a Thanksgiving basket for a needy family, a Christmas banquet where the club sang carols at one of the rest homes, and then ate authentic Spanish dishes prepared by the Spanish Club members, an Easter party for the underprivileged children at which both American and Spanish customs were celebrated. Finally, at the end of the year, they enjoyed a picnic at which all of the students participated in different games and then enjoyed themselves after a year of hard work.

The goal of the French department, taught by Melissa Pilcher, is to enhance the study of French through cultural experience such as trips to foreign plays and museums featuring foreign exhibits. They had an annual Christmas party where they served traditional French Christmas Carols. The highlight of the year was the trip to Houston on April 10-11, 1981, where they participated in the Texas French Symposium.

ENGLISH

The English Department is one of the largest departments at Cooper High School. Teachers stress grammar and literature to prepare students for college. Compositions, term projects, book reports, and research papers all represent phases of the English program taught at Cooper. Students displaying special aptitudes, interests, and abilities in English are offered accelerated courses. In these classes emphasis is placed on composition and the appreciation and interpretation of literature. There are twenty teachers that comprise the English department staff. They are Russell Barrett, Leigh Black, Jimmie Blackford, Maxene Bonds, Sally Carthel, Lela Dick, Gina Enger, Sherilyn Hanks, Robert Holladay, Nancy Hutchinson, Beulah Rae Jarvis, Vicki Palmer, Camille Parrish, Nancy Patrick, Pat Penick, Portia Robertson, Joanna Strickland, Nancy Walter, Edward Wilson, and Joan Wood.

The Health and Physical Education Department not only works to develop the body to its fullest potential, but it also strives to arouse in each student an appreciation of the importance of good health for zestful living—today and tomorrow.

Divided into two areas, the Physical Education Classes develop efficient teamwork through physical fitness, sportsmanship and knowledge of many different sports in classes such as Teamsports, Recreational Games, Racket Sports, Conditioning and Figure Control, Weight Training, Gymnastics, and Life Time Sports. The other area of P.E. is outdoor education that encompasses classroom work culminated in an extensive field trip or overnight camp-out.

In the Health Education Classes the students have a chance to learn all about themselves. The areas of study recognize the total self—the physical, emotional, mental, and social facets of one's personality.

Learning and mastering family-life skills is an integral part of our daily lives. Homemaking is one of the most important departments at Cooper. The department is constantly striving to help students become adept in areas of personal care, home and money management, housing, food, clothing, and parenting. Homemaking develops skills in making family life decisions. The Homemaking teachers for the 1980-81 year are Mrs. Sharon Kelley, who is the chairman of the department, Mrs. Debbie Langford, Mrs. Denise Lowry, and Miss Beth Neeley. These four teachers are to be complimented on their fine job of sharing their knowledge with the students.

Miss Neeley and Mrs. Langford satisfied after a good lunch.

Science is an integral part of our civilization. An individual needs to have some understanding of scientific principles in order to reach rational decisions regarding the various aspects of his life—social, political, economic, and religious. Cooper High School Science Department offers a variety of courses in the endeavor to develop scientifically literate citizens and prepare students for science related careers, particularly careers requiring further scientific study. As a department, the primary goal is to promote the use of critical thinking and an appropriate set of values. Basic scientific principles and their application are studied to enhance an understanding and appreciation of our environment and ourselves.

Cooper offers Physical Science, CVAE Science, Biology, and Chemistry. Students are given the opportunity to participate in the annual Science Fair.

Teachers are Madeleine Brown, Karen Francis, Cherie Haynes, Bill Hughes, Mary Ivey, Marsha Jennings, Melma McKenzie, and Pearl Woodward.

SOCIAL STUDIES

There are fifteen teachers in the social studies department. They are as follows: Vickie Anderson, Sonja Brastauskas, Marc Case, Mike Dudley, Granville Griffith, Sharon Daugherty, Donna Dougherty, Sherry Lee, Nancy Lewis, Thelma Loya, Mary Anna Mark, Prentice Martin, Jim Short, Mike Spradlin, and Wiley Wise.

The members of the Social Studies Department seek to provide a program to teach young people how to function in society. They hope to provide students with knowledge to participate in the democratic process and to contribute as active citizens.

There were several projects this year. Mr. Short planned the yearly trip to Washington, Philadelphia and New York. The students and teachers helped to provide a booth for the History Fair at the Civic Center, celebrating the Abilene Centennial. Members of the club and its sponsors, Mike Dudley, Sonja Brastauskas, and Jim Short, carry on a Political Science Seminar to acquaint students with civic political leaders.

FINE ARTS

Creativity, imagination, and industry characterize the Fine Arts Department at Cooper High School. Fine Arts include such wide variety of interests as art, band, choir, drama, and speech. Each area of Fine Arts teaches both skills and appreciation. For a student to be able to participate in these areas, he must first be a good student in all of his academic subjects. It is from these six fields that man has produced the most lasting and most beautiful creations of our world. These skills can be built upon and enjoyed throughout life. Through the Fine Arts Department, students have the opportunity to explore the creative and aesthetic side of his personality.

Mathematics

The future mathematics needs of today's Cooper High School students are diverse. To meet these needs, the C.H.S. mathematics department provides a wide variety of class offerings and employs various teaching techniques.

A strong college preparatory program is offered. This program includes a rapidly growing computer mathematics diversion. Basic math skills are also taught, with much of the instruction utilizing laboratory computers and teaching machines. The MOCE Program affords students an opportunity to study banking, finance, insurance, and personal money management.

Extra-curricular opportunities are available through participation in UIL math meets and the Math-Science Seminar. A textor Program offers students individualized assistance both before and after regular school hours.

The department consists of 14 teachers with degrees from 16 different colleges and Universities. Its combined teaching experience is over 150 years.

VOCATIONAL AND INDUSTRIAL ARTS

The Vocational Department is made up of classes having to do with Agriculture, Home Economics, and Industrial Arts, which are the basics in this department. The different areas included are Vocational Agriculture, Vocational Agriculture Cooperative, Academic Education, Cooperative Training, Distributive Education I, and II, and Health Occupations. Other areas are Home Management, Consumer Education, Child Development, Family Living, Home Economics, Pre-employment Shop, and Auto Body Repair.

The teachers are James Conley, Ann Fanning, Lowell Freeman, Dalton Johnson, Mary Mathieson, Robert May, Billy Rhodes, Leland Robinson, Gill Shahan, Jake Shewmake, Jimmy Smith, and Derrel Sloan. These are fine teachers and have helped the students a great deal.

The Industrial Arts Department includes several areas. They are General Shop, General Woodwork, Machine Woodwork, General Drafting, Architectural Drafting, and Technical Drafting.

There are two teachers in this department. They are Jimmy Payne and John Vines. They have worked hard this year and we are proud to have them as a part of this school.

Special Education

The Special Education Department at Cooper High School offers a variety of courses in two specific areas: resource and functional living. A student may take a resource class designed on an individual basis in a subject area in which he has a specific need. This resource class is taken while taking other regular classes. A student in this resource program still must meet the standard graduation requirements. Students in functional living classes take courses designed to prepare them to adjust to work, home life, and community life. The first two years are spent doing academic work, and the last year is spent in the on-job-training program, closely supervised by school personnel.

LIBRARY

The Learning Resources Center serves the students and faculty by providing print and nonprint materials, and equipment for their use. The center is served by a student staff of about 40 persons who assist with circulation and return of materials, processing of new materials, displays, typing and filing.

Sara,
Well, have you enjoyed the year? I'm sure enjoying the end of it — I think that maybe we've gotten to know a bit more about each other this year (not bad for being "best" friends in the 3rd grade) Don't let the bed bugs (bears?) bite, & all those other pithy sayings. I do wish you satisfaction @ Baylor.

The inside of a watch is tiny and delicate, but precision and purposeful. Every gear and every spring does its part. That's what makes it "tick." Your life is worth more than any watch. If you haven't gotten it all together yet and can't get "geared up" and running, how about giving Abilene Christian University a try next year. We work on lives, not clocks.

Sara,

Wasn't this year fun! The musical was great wasn't it. I got to know you a little better then and I'm glad! I can't say Brit Lit was fun because we didn't have much time to enjoy it between lectures!

No, really I liked it and bleive it or not I really learned alot!

Keep in touch!

Sara,
I've really enjoyed getting to be friends with you this year. I've known you since Sophomore year but I never really got to know YOU until this year. You're such a nice girl! You've really added life to the classes we've had together. (especially Latin!) You're such a pretty girl, I know you'll be such a "sought-after" girl in college. Stay sweet and keep in touch! I'll see you at Baylor our Sophomore years!
Lots of Love,
Vicki Vick

Okay, here we go again. People seemed somewhat skeptical when they found out we were going to attempt being editors another year. In fact some people thought we were crazy. (We sometimes tended to agree.) But we made it through another year and you get to read another of our "exciting" letters.

We just wanted to mention a few of this year's Talisman "highlights". The time when the whole book got censored and we had to start over from scratch. (Ha, Ha) When we had our first budget meeting only to find out we didn't have much of a budget and last but certainly not least, when we learned how to say Mrs. Brastauska's name.

There are quite a few people we would like to thank—for without them the book would not be. Mr. Kline and Mr. Reddin for all the photos they did for us this year. Mr. Cummings for the use of his darkrooms. A big thanks to Mr. Bauernfeind and the faculty for putting up with us another year. A whopper of a thanks to Burger King for supplying us with our meals during the deadlines. To our wonderful staff for working so hard and thank you to their parents also. To our own staff photographers for working their tails off. To the custodians for keeping our room clean. To Debbie Piercefield for this year's shirt design. And lastly to Harolds Bar-B-Que for babysitting our sophomores. Oh, one more thanks is due to Mrs. Brastauskas and Mr. Holladay. There is no way we could thank you enough for what ya'll have done for us. We love ya!!

Nelda Collins
David Spears
Co-Editors-in-Chief

P.S. I will always look back on these past three years with a warm smile on my face and a warm thought in my heart for the good times truly outweighed the bad times by far. A special thanks to Dale Douglas, Kathy Haney and Pam Hollowell for all the extras they did for me when I ran out of time. A big thanks to David, for it was a real pleasure working with him these past 2 years. To our sponsors who guided us and set us down when we got a little too independent. Most of all thanks to my parents who supported me fully and told me to keep my chin up when things got rough.

N.C.

P.S. I would like to thank all the many many people who helped make this year special! To Mark, who always thought I was mad at him I'd like to say "I'm not mad!!" To Alison for always listening to my boring stories about life!!! To Roger "again" for his famous line "I thought you were going to shoot it???" And to all the other crazy photographers and staff members, Thanks! I would like to especially thank Molly for all her time, love, support, thoughtfulness, and very special friendships and for always being there when I needed her! (Your cooking is still great.) Thanks also to my super co-editor Nelda for two years of friendships and support and making this book and year great! Last but not least thanks to Mom and Dad for understanding and helping me through my last year at Cooper.

Miss Sara,

I'm so glad that you & Andi are coming together at ~~Baylor~~ Baylor. (I think that it's all for the best.) It's has been so funny this year w/ Granville. You must be the <u>daintest</u>, best dressed, and most lovely mannered person in this whole world. You & Andrea will have to come down to the next year (to dress me?) Good luck.

Love,
Ellouise

Dear Sister
Meaning a shade
too exciting. The
last year I found a
Lovelier to make
for Lang & Dance
Lady Quinn

Sara Jane,

I have so much
to say and so
few words to express
myself.... This year
and for that matter
throughout school
we have shared so
many things. (ex. gum in British Lit., latin translations, brushes, boys)
no seriously, special times and
classes together have been great.
You are a total "doll", and
the best kind of friend
a girl could hope for.
I'll miss being together
next year, but college
will be fun. You must
visit me in Dallas as
much as possible. Take
a little beauty to Baylor
when you go (remember those year books at L. D's party!)
Stay happy, all of my best!

Lots of Love,

Lisa Ann

Sara:
I have enjoyed so much having you in some of your classes this year. You are such a good friend. I hope we can keep in touch as we go to college. Good luck always. You have good luck always.
Love,
Pam K.

Sara,

I don't believe this year is almost over. It seems only yesterday that I registered. Time flies when you're having fun. I don't know what I would have done if you hadn't been in gym. You & Eleanor & Jo Ann made the class for me. I hope you & Andrea have a wonderful year next year in Angola - think of me in the middle of your fun - I know you'll won't. It's been truly a pleasure getting to know you better. We've had so much fun. (Eleanor's party) This summer we will for sure go dancin'!! Have a great next year at the Big BU!

Love ya
Jeff

Sandy,

I just know

Well girl, it can't

be a long time, it's almost

you for a long time, is beautiful!

the year is a lovely

believe a second intelligent girl. Stay

over. Your wonderful and intelligent around.

Nice, wonder and see you, yes

the way you are. See you

Love, yes

Always

P.S. Hont!

same!

time!

Sara

I've really had a good time this year with you, Lisa, Ed, Andrea, and everybody else! I didn't know what this yr. was going to be like (new girl) but y'all have been so nice and fun. I want to come to Baylor & visit for sure!

Good luck in everything!

Lisa Summers

P.S. Don't forget our RODEO night.

181

Sara,

I think you are a really beautiful girl, inside and out, and I'm very happy we are friends. You helped made Band, Latin Club and especially Church just a blast! Good luck at college!

Love,

Amy Gilliland

P.S. you are a terrific skier!

GOOD SENTENCE STRUCTURE

Sara,

I think you're a really special person and that if we knew each other better we would enjoy each other tremendously! I hope that we are not strangers now on. I really hope to talk to you. Well, good luck with the years ahead! Hope to see you some time

P.S. Ellen is your sister?!! Great M.

SARA,

I DONT KNOW YOU BUT I KNOW YOURE GOING TO BAYLOR AND I'LL BE IN WACO WITH GREG RINEHART, SO SEE YOU THERE. HAVE A GOOD SUMMER

RANDY V.

Sara

You a very sweet and very pretty girl. I'll never forget the senior musicle you really added a lot to that part of the year. I wish you all the luck next year.

Kevin Wagner

Sara,
Well we've been friends for so long & I'm glad. This year has been alot of fun but next year there will be even more fun stuff instored for us. Big Freshman! You are a real cute and sweet girl. I hope we will always be friends no matter what kind of problems we have. Take care & call me this summer!

Love,
B.R.

Sara —

This is going to be kind of boring because I can't think of anything mean to say. Isn't that disgusting?! Surely there's some little known fact that I can reveal to the world — but, alas, I can't think of one! I guess I'll half to resort to your good points: Rarely, if ever, have I met someone with so much grace and personality. When it comes to those of the female gender, I'm a bit old-fashioned. I really appreciate someone who still knows how to be a lady — feminine and graceful. It's also a joy whenever I see you walking down the hall. You brighten them up with your beautiful hair and wonderful smile. I'm sure you'll find someone, someday (sounds like a 1940's movie) who'll be just the right match! You were a great twirler this year & I've also enjoyed NAS & Latin & Films on Saturday! Also thanks for being a great friend. Good Luck at Baylor and in life.

Most sincerely in the deepest gratitude
and profound thanks,

Tad Pruitt

Sara,

You're a special person to me and I hope to see you more this summer. It's too bad we didn't get to go to homecoming this year. I would have really liked that. Stay the way you are and remember me.
